Education

General Assembly
June 2013-Present

Web Development Immersive
- Learned to code using agile development, behavior and test driven development techniques as well as how to pitch and defend projects
- Introduced to HTML, CSS, JavaScript, JQuery, PosgresSQL, MongoDB and Ruby on Rails

Santa Monica, CA

Lehigh University
August 2007-May 2011

Bachelor of Science in Business and Economics with GPA of 3.22; Class of 2011
- Double Major in Economics and Management, Minor in Jewish Studies, and Certificate in Global Citizenship
- Lehigh in Ireland, Association of Student Alumni, Kappa Alpha Theta

Bethlehem, PA

Projects

Yay Lizzie

Technology Used: Ruby on Rails with MongoDB, Zurb Foundation
- A web application to allow people to leave notes, either of their own design or through Mad-Lib style suggestions in honor of a college graduation
- Uses three different types of notes and processes them into a single list after users register with Facebook

CTJ Madrichim

Technology Used: Ruby On Rails with MongoDB, HTML and CSS
- This site was created to be an internal document management system for the Madrichim Program at Congregation Tikvat Jacob.
- Processes the forms submitted by teens, teachers and administrators to better track teen development.

ParDIY

Technology Used: Ruby on Rails, Mongoid, HTML, CSS and Javascript
- A pair project with aims to unite people who plan Do-It-Yourself parties and allowing users to find party templates created by others.
- This is currently being refactored with a MongoDB instead of PostgreSQL

Experience

Spark Networks
October 2013-Present

Associate Product Manger
- Plan and update features for existing Spark products by researching and writing requirements for the development teams
- Updates are both cosmetic and functional for the full website dating products and internal applications for aiding customer service

Software Development Intern
- Part of a mobile team used agile development to build iPhone applications
- Used XCode, iOS and Objective-C to produce applications

Los Angeles, California

Congregation Tikvat Jacob
January 2012-Present

Madrichim Coordinator and Assistant Youth Director
- Oversee all teenagers working in the religious school and create experiential and collaborative learning opportunities
- Designed and implemented a teaching assistant course for 25 teenagers
- Chaperoned and planned youth events for students in grades 3-12

Manhattan Beach, CA

Chocovivo
March 2012-December 2012

Sales
- Prepared and ran educational tastings of the artisan dark chocolate
- Managed inventory through Google Spreadsheets and sales interactions

Los Angeles, CA

Lehigh University
January 2009-August 2011

Social Media Intern for the Office of Admissions (August 2010-August 2011)
- Improved Lehigh's online presence by participating in online forums
- Managed the Class of 2015 Facebook Group

Virtual Ambassador for the Office of Admissions (January 2009-August 2011)
- Authored a student life blog
- Participated in online chats with prospective and admitted students

Bethlehem, PA
